

"You know it's a great party when you sweat like crazy, and look at me, I'm drenched! What a great party, I had so much fun!" - J.S., Brick, NJ

CMB Latino's objective is simple really: Bring the best we've got every single time and make your event the best it can possibly be. When you book an event with CMB Latino, we consider it to be a privilege to provide musical entertainment for your event. For this reason, we never double-book a day. As far as CMB Latino is concerned, you are priority #1 for the entire day. DJ Chris works with you to make sure that your event is up to not only his high standards, but yours as well. With a song collection of over 20,000+ songs, spanning both English and Spanish languages, DJ Chris is sure to have what you're looking for. The collection includes Salsa, Merengue, Bachata, Reggaeton, Hip Hop, R&B and more! DJ Chris uses state of the art equipment in all events; there's no "cheap-o" budget portable cd players in this setup!
